Final Dipute Decision 9-30-13.pdf

If you are referring to the dispute on the Human Health risk assessment, yes it was sent to the LWG. Attached are the decisions (he did a partial decision on one issue first and then a final decision).

Did we send the stipulated penalties decision document to the LWG? If was, do you have a copy of the cover letter? Thanks.

Can you email me a copy of a Portland Harbor dispute decision that Dan Opalski issued? It must have been in the 2010 to 2012 time frame. Thanks.
